- ICT – confidence using technologies
- Creativity

## Context

### Materials

- Natural or Man Made
- Processes and change
- Working with fabric and threads
- Jute and wool processing
- Verdant Works school trip
- RHET – wool talk

## Notes about this term

It's been a lovely start to the year so far with lots of eager workers in the class. We are looking forward to a school trip to Verdant Works in Dundee and a visit by Alix from RHET to hear about wool processing. Thanks for the materials that have come in. If anyone can collect the mesh of plastic tubs of fruit it would be great. We are going to do some weaving. Any sewing, spinning skills would also come in handy. Louise Mossom
